CASE NO. T-0282:9

DECISION NO. 90-126

MOTION FOR REHEARING

On August 16, 1990 the Keene Education Association/NEA-NH by its regional director, Mary Gaul filed a Motion for Rehearing in the Case No. T-0282:9, Decision No. 90-50 alleging that PELRB erred in its decision regarding good faith effort by the School Board in presenting the negotiated agreement to the voters and generally taking exceptions to this Board's finding in this case and further questioned PELRB's authority to make certain findings.

The School District opposed the request for rehearing on the basis that the findings properly addressed the facts and testimony at the original hearing.

After reviewing the Motion for Rehearing and the evidence presented at the hearing, the Board finds that all issues were raised and fully discussed at the hearing and cannot find merit for reconsideration and DENIES the parties request for rehearing.

Signed this 27th day of November, 1990.
